

Unique, green and great prices!

we make it better!

Forty years after the first Earth Day, we have an unprecedented opportunity to build a healthy, prosperous, clean energy economy now and for the future. Why not make a personal commitment to sustainability. We want to help you with that goal, so we've built a suite of earth-friendly, sustainable products to promote your business and surprise your clients.

Sincerely,

## Bordeaux Bottle Tumblers

*Wine Goblets and Tumblers*

These tumblers are created from reclaimed Bordeaux bottles collected from an organic restaurant and tasting room. The playful design celebrates Earth Day and the planet and carries the words "Earth. Nourish. Protect"

To become part of the up-cycling of wine bottles movement, please contact Insight Resource Group at: [ltraxler@insgithresourcegroup.com](mailto:ltraxler@insgithresourcegroup.com)

All recycled bottles, 'condemned' bottles or 'resort' (rejected) bottles can be up-cycled into beautiful glassware.
